Bordeaux Herringbone Inspiration

Introduction

Flooring that suits your lifestyle

Bordeaux Herringbone Hybrid Flooring offer a beautiful range of hybrid floors with the timeless warmth of natural oak timber finishes. Our range of colors has been selected to suit both modern homes and commercial applications. Bordeaux Herringbone Hybrid Flooring impresses at every glance with our inspiring alternative to wood flooring

Featuring an embossed matte surface treatment, Bordeaux Herringbone Hybrid Flooring has been expertly crafted to provide a hard-wearing, non-slip surface. A durable top layer has been designed to withstand areas of high traffic and provide pet-scratch resistance throughout your home. This water-resistant flooring is ideally suited for kitchens, bathrooms, and laundries

Our luxurious, timber-look hybrid flooring with the benefit of durability provides an excellent choice for your home or workplace.

Quality Standards

Simple and easy to maintain, Bordeaux Herringbone Hybrid Flooring products are designed to fit in with your needs and lifestyle. All Bordeaux Herringbone Hybrid Flooring comes with assurances of durability and longevity, offering you value for money and peace of mind.

Uniclic

Bordeaux Herringbone Hybrid flooring utilizes the Uniclic click system for a secure assembly of your floor. This patented technology has a lifetime warranty for domestic applications.

Features

Design Edge	Description
Micro Bevel	The design of Bordeaux Herringbone Hybrid Flooring features a small v-shaped edge between each plank. This design feature makes our product appear more like traditional flooring edges

Finish	Description
Matte	To create a more authentic look that is similar to real timber, our herringbone hybrid planks feature a matte finish.
Embossed	The embossed finish of our Bordeaux Herringbone Hybrid Flooring provides a texture that follows the grain look of timber. This also provides extra grip to prevent slipping.
Wear Layer	A 0.5mm wear layer gives your herringbone hybrid floors protection from everyday wear and tear.

Feature	Description
Wet Areas	Unlike many other flooring options, Bordeaux Herringbone Hybrid Flooring can be cleaned with a generous amount of water when mopping. This makes it perfect for kitchens, bathrooms, and laundries
Vertical & Horizontal Use	Planks can be utilised for vertical wall applications as well as traditional horizontal use on floors, much like wooden boards.
Low Maintenance	Our herringbone hybrid flooring is easy to clean with a vacuum and/or a wet mop. Marks can be removed with a soft damp cloth.

Warranties

We are so confident about the high durability of Arc Floors products, we guarantee our hybrid floors for 20 years in residential environments. For our commercial customers, we offer warranties of 5 years for our Bordeaux Herringbone Hybrid Flooring Collection.

Bordeaux Herringbone Hybrid
20 Year Residential Warranty
5 Year Commercial Warranty

These warranties are in addition to any rights consumers may have under Australian consumer laws.

Terms and conditions apply.

Arc Floors reserves the right to change the specifications of or delete colors in this product range without notice.

Product images in the brochure should only be used as a guide or point of reference. Actual samples should be inspected in person to confirm texture and color before making a purchase decision. Color appearance can vary depending upon the type of light under which a sample is viewed and light sources where the flooring is installed.
