# Features

Design Edge	Description
Micro Bevel	The design of EcoOak 1830 Engineered Flooring features a small v-shaped edge between each board. This design feature makes our product appear more like traditional flooring edges.

Finish	Description
Matte	To highlight the natural look of this oak flooring, a matte feature finish has been created.
Embossed	The embossed finish of our engineered flooring provides a texture that follows the grain look of timber.

Feature	Description
Vertical & Horizontal Use	Boards can be utilised for vertical wall applications as well as traditional horizontal use on floors, much like wooden boards.
Easy to Maintain	Vacuum with brush attachments, sweep with a broom or with a dry microfibre dust mop. Avoid walking on your floors with high heels. Mop up any spills immediately and avoid excessive water.

# Warranties

We are confident in the quality of Engineered EcoOak 1830 products, which is why we guarantee our engineered oak floors for 20 years in residential settings. For our commercial customers we offer warranties of 5 years.

These warranties are in addition to any rights consumers may have under Australian consumer laws.

Terms and conditions apply.

EcoOak 1830 Engineered Flooring reserves the right to change the specifications of or delete colors in this product range without notice.

Product images in the brochure should only be used as a guide or point of reference. Actual samples should be inspected in person to confirm texture and color before making a purchase decision. Color appearance can vary depending upon the type of light under which a sample is viewed and light sources where the flooring is installed.
