Introduction

Flooring That Suits Your Lifestyle

Creating the perfect look for your interior has never been easier with Resiboard HD Plus Laminate Flooring. With the most up to date trends at your fingertips, your floors will be visually stunning as well as technologically advanced so you can enjoy your interior look for years to come.

Our Impact

While creating the perfect look is important, so are the processes we use to get these great products to your door. Resiboard HD Plus Laminate Flooring continually work with suppliers to improve the impact of our products and processes to help reduce environmental impact wherever we can. Our products need to perform better, last longer and not waste resources along the way.

New Technology

Our laminate products appear like natural wood flooring, while delivering higher durability than natural flooring. Our range comes in 12mm thick boards with new micro bevelled surface treatments that incorporate grain indentations and textures that deliver a look as close as you can get to

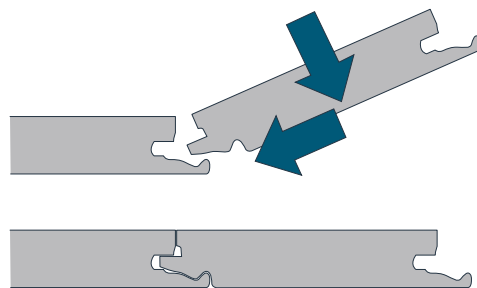

The abrasion ratings of laminate floors range from AC1 (modest residential) to AC5 (heavy commercial). CQ Laminate Flooring has an AC4 abrasion resistance rating, which is suitable up to general commercial use.

Quality Standards

Simple and easy to maintain, these Resiboard HD Plus Laminate Flooring products are designed to fit in with your needs and lifestyle. All Resiboard HD Plus Laminate Flooring comes with assurances of durability and longevity, offering you value for money and peace of mind.

Uniclic

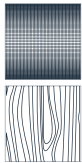

Resiboard HD Plus Laminate flooring utilises the Uniclic click system for a secure assembly of your floor. This patented technology has a lifetime warranty for domestic applications.

Features

Design Edge	Description
Micro Bevel	The design of Resiboard HD Plus Laminate Flooring features a small v-shaped edge between each board. This design feature makes our product appear more like traditional flooring edges.

Finish	Description
Matte	To create a more authentic look that is similar to real timber, our laminate boards feature a matte finish.
Embossed	The embossed finish of our laminate flooring provides a texture that follows the grain look of timber.

Feature	Description
Vertical & Horizontal Use	Boards can be utilised for vertical wall applications as well as traditional horizontal use on floors, much like wooden boards.
Low Maintenance	Our laminate flooring is easy to clean with a vacuum and marks can be removed with a soft damp cloth.

Certification	Description
E1 - 185	European E1 Emissions Standard Certification

Warranties

We are so confident about the high durability of Resiboard HD Plus Laminate Flooring products, we guarantee our laminate floors for 20 years in residential environments. For our commercial customers we offer warranties of 5 years.

These warranties are in addition to any rights consumers may have under Australian consumer laws.

Terms and conditions apply.

Resiboard HD Plus Laminate Flooring reserves the right to change the specifications of or delete colors in this product range without notice.

Product images in the brochure should only be used as a guide or point of reference. Actual samples should be inspected in person to confirm texture and color before making a purchase decision. Color appearance can vary depending upon the type of light under which a sample is viewed and light sources where the flooring is installed.
